

### Engineering Thermoplastics and High Performance Materials

Trade Name	Chemical Acronym	Rod	Extruded Sheet	Calendered Sheet	Plate	Tube	ESD Grade
Sustarin C Natural	Acetal Copolymer	•	•	•	•	•	•
Sustarin C Black	Acetal Copolymer	•	•	•	•	•	•
Sustarin C Custom Colors*	Acetal Copolymer	•	•	•	•		
Sustarin H Natural	Acetal Homopolymer (Delrin®)	•	•		•	•	
Sustarin H Black	Acetal Homopolymer (Delrin®)	•	•		•	•	
Sustarin H Custom Colors*	Acetal Homopolymer (Delrin®)	•	•		•	•	
Sustarin H AF Blend 13% PTFE	Acetal Homopolymer + PTFE	•	•		•	•	
Sustarin H AF DE588	Acetal Homopolymer (NAVSEA)	•	•		•		
Sustamid 6G Natural	Cast Nylon	•			•	•	
Sustamid 6G MO	Cast Nylon with MoS <sub>2</sub>	•			•	•	
Sustamid 6G Blue	Cast Nylon	•			•	•	
Sustamid 6G OL	Cast Nylon Oil Filled	•			•	•	
Sustaglide	Cast Nylon modified with lubricant	•			•	•	
Sustamid 66 Natural	Extruded Nylon	•	•	•	•	•	
Sustamid 66 Black	Extruded Nylon	•	•	•	•	•	
Sustamid 66 MO	Cast Nylon with MoS <sub>2</sub>	•	•	•	•	•	
Sustamid 66 GF 30	Extruded Nylon 30% Glass Filled	•	•		•	•	
SustaPEEK Natural	Polyetheretherketone	•	•		•	•	
SustaPEEK Black	Polyetheretherketone	•	•		•	•	
SustaPEEK GF 30	Polyetheretherketone 30% Glass Filled	•	•		•		
SustaPEEK CF 30	Polyetheretherketone 30% Carbon Filled	•	•		•		
SustaPEI Natural	Ultem® 1000 Polyetherimide	•	•		•	•	
SustaPEI Black	Ultem® 1000 Polyetherimide	•	•		•	•	
SustaPEI GF 30	Ultem® 2300 Polyetherimide 30% Glass Filled	•	•		•	•	
Sustanat PC Natural	Polycarbonate Machine Grade	•	•		•		
Sustanat PC Black	Polycarbonate Machine Grade	•	•		•		•
Sustanat PC GF 20	Polycarbonate Machine Grade 20% Glass Filled	•	•		•		
Sustatron PPS Natural	Polyphenylene Sulfide	•	•		•	•	
Sustadur PET Natural	Polyethylene Terephthalate	•	•		•	•	
Sustadur PET TF Natural	Polyethylene Terephthalate + PTFE	•	•		•	•	
Sustadur PBT Natural	Polybutylene Terephthalate	•	•		•		
SustapVDF	Polyvinylidene Fluoride (Kynar or Solef)	•	•		•	•	
Sustatron PSU Natural	Polysulfone	•	•		•	•	
Sustatron PPSU Natural	Polyphenylsulfone Radel R®	•	•		•		
Sustatron PPSU Black	Polyphenylsulfone Radel R®	•	•		•		
Sustatron PPSU Colors*	Polyphenylsulfone Radel R®	•	•		•		
SustaPPO Black Noryl EN 265	Modified Polyphenylene Oxide	•	•		•		
SustaABS Black	Acrylonitrile Butadiene Styrene	•	•	•	•		•

# RÖCHLING

## Sustaplast

### Development through Innovation

Röchling Sustaplast is recognized worldwide as an industry leader in the manufacturing of engineering plastics and high performance materials. Building upon our technical expertise with acetal and nylon stock shapes, Röchling Sustaplast LP has also become one of the markets leading suppliers of specialty and high performance materials.

Staying focused and in tune with our distributors' needs and changing market demands, we know what our customers need to compete today.

- ➡ broad product range and inventory selection of acetals, nylons, specialty products and high performance materials
- ➡ proven quality where it counts: flatness, tolerance, surface finish and material consistency
- ➡ same day or next day shipping available on most stock items
- ➡ up-front competitive prices with flexibility in aggressive situations
- ➡ excellent freight prepaid policies
- ➡ drop shipments with protection and confidence
- ➡ modern and innovative technical support from our industry-leading parent company
- ➡ conveniently shipped from either coast, Exton, PA or Ontario, CA
- ➡ experience and knowledgeable sales staff-inside and outside
- ➡ flexibility on custom or special runs
- ➡ lot, batch, physical property and ultrasonic testing available
- ➡ active programs with our distributors to find and target new business
- ➡ efficient and technologically advanced manufacturing equipment

### Manufacturing Capabilities

#### Extruded Sheets

3/8" - 6" x 24" x 48"  
3/8" - 2" x 48" x 96"  
3/8" - 2" x 48" x 120"

#### Calendared Sheets

1/8" - 1/2" x 48" x 96"  
1/8" - 1/2" x 48" x 120"

#### Extruded Rods

1/4" - 6" diameter, 10 ft. lengths  
7" - 12" diameter, 3 ft. lengths

#### Cast Sheets

1/4" - 4" x 24" x 48"  
1/4" - 4" x 48" x 96"  
oversized in width and length

#### Cast Rods

2" - 4 1/2" diameter, 10 ft lengths  
5" - 12 1/4" diameter, 4 ft lengths  
13" - 23 1/2" diameter, 2 ft lengths by request

**Tubes, cast and near-net shapes**  
available by request

*Please contact us for custom formulations or for more information on our premium products.*
